

~ Custom Cabinet Doors ~

Riverbend Carpentry was founded in 2007. Our focus is to produce premium quality custom cabinet doors at reasonable prices... direct to you!

If you have a design or an idea that is not listed - give us a call! Our list of custom designs is always increasing as we continue to bring your dreams to a beautiful reality. We can do it!

~ Wood Species ~

Red Oak, White Maple, Cherry, Knotty White Pine, Clear White Pine, Rustic Hickory, Premium Hickory, Clear Alder, Knotty Alder, Walnut, Poplar, Paint Grade Maple, & Bamboo.

~ Premium Quality ~

Riverbend Carpentry's Cabinet doors are manufactured using precision equipment. Great attention to detail and superior assembly techniques allow us to maintain an exceptionally high standard of quality.

We use 23 gauge 5/8" micro pins on the back of the doors in the assembly process. All solid panels are installed with 1/4" rubber space balls to allow for expansion/contracting. All plywood panels are glued in place on all four sides to prevent vibration.

Doors have a size tolerance of +/- 1mm.

~ To place an order ~

Download the digital order form from our website or E-mail: Orders@RiverbendCarpentry.com

Orders can also be faxed to:
(204) 886-2477

To enable us to process your order with speed and efficiency, any additions or changes must be made within 2 hours or it will be considered a new order.

~ Warranty ~

Riverbend Carpentry warrants that all of our products are free of defects in workmanship and material for One year from the date of shipment.

Natural characteristics in limited amounts such as mineral streaks are not considered defects. Improper handling, storage or installation, will void all warranty.

We guarantee that door/drawer fronts under 24" x 48" will be warranted if warping exceeds 1/8"

Doors/Drawer fronts over 24" wide, or 48" tall will not have warranty due to the natural contraction and expansion of wood. A center rail will be installed which divides the center panel into two panels. This reduces the chance of warping in larger doors.
